# Why MCNC?

## ► Our Vision

Is for North Carolina to be the most securely connected state in the nation, where everyone has the resources they need to participate fully in the digital economy.

## ► Our Mission

Is to strengthen North Carolina's future by making secure, high-speed Internet and technology services more accessible to everyone in the state through partnerships, collaboration, and innovative solutions.

## ► Our Focus Areas

Increase Protected Connectivity

Establish Cybersecurity Practice

Excellent Service Delivery

Great Place to Work

Prepare for the Future

## Looking for a philanthropic-driven company with strong employee culture?

*"On behalf of my entire campus, I want to thank the whole MCNC team for all the work done in the past few months during the COVID-19 crisis, as well as projects going forward. MCNC continues to be one of the best and most reliable partners the State has ever had."*

**DR. JONATHAN VESTER**, client of MCNC VP of Technology and CIO at Nash Community College
