MCNC is excited to host our signature event MCNC Community Day 2025 on Wednesday, November 5 through Thursday, November 6 at the Durham Convention Center.

This year's theme: *45 Years of Transformation: Empowering the Digital Age*, focuses on MCNC's evolution over the past four decades and our overall contribution to the digital transformation of businesses, communities, and industries throughout North Carolina. MCNC Community Day 2025 will feature keynote presentations and panel discussions covering a wide variety of technology topics and trends in cybersecurity, rural broadband, quantum computing & AI, digital equity, advocacy efforts, women in tech, and more.

MCNC continues to remain selective in partnering with sponsors who we believe will best align with the spirit of Community Day, MCNC's overall mission, and who have been supportive of our efforts to serve our community. Thus, we are inviting a limited number of sponsors to network with our community and industry leaders while enhancing their brand reputation & visibility. Sponsoring organizations will have unique opportunities to engage with the MCNC Community and Team. All sponsor levels include:

- Ability to attend conference sessions, meals, and networking reception*
- Listing on all promotional communications, including event website, social media, email blasts, press releases, and conference materials
- Visible recognition throughout the event
- Registration roster of all opt-in attendees (name, title, organization)
- Inclusion in our virtual passport game for attendees to visit your table

Your investment in MCNC Community Day 2025 will help shape lasting connections among our constituents for you and your business as we celebrate MCNC's evolution these past four decades & discuss our future goals. We look forward to your participation and support.
