

To log into the MCNC portal (portal.mcnc.org), you will use your email address. If you previously used an NCREN Community login, you may need to create an MCNC Interconnect login, as this new service replaces MCNC's existing Community Directory for authentication and access to MCNC applications and services.

The image shows the MCNC Client Portal login page. It features a dark blue background with a repeating geometric pattern of light blue triangles. In the top left corner is the MCNC logo. The main heading is "Welcome to the MCNC Client Portal" in large white text. Below it is the subtext "Log in to order things, get help or report an issue". A white input field with a blue border is labeled "Email Address". Below the input field is a "Submit" button and a link for "Use internal login". On the right side, there are three stacked images: a North Carolina flag, a scenic view of autumn foliage, and a landscape with a body of water and a wooden walkway.
